

The Nutley Academic Booster Club is dedicated to enriching the educational experience of all Nutley students. Won't you become a member and help support some of our town's most popular academic programs? For just \$15 a year (tax deductible), you can ensure the continuation of Nutley's Science Fair, History Fair, the Let's Learn summer program, and lots more. To find out who we are and what we do, go to www.nutleyabc.org or our Facebook page: www.facebook.com/nutleyabc. We hope you'll be moved to join us in our support of Nutley's students.

We also have an exciting prize to raffle this year--one that fits right in with our educational mission. We are offering 2 tickets (up to \$400 in value) to the hit Broadway musical that brings American history to exciting new life--"Hamilton" by Lin-Manuel Miranda! To be in on the raffle, just fill out one side of the enclosed ticket and retain the other, and mail it and \$10 along with your membership contribution. We will draw the winner at this year's Science Fair on March 18, 2017. You don't have to be present to win. If you want more raffle tickets, just write us a note or email nutleyacademicboosters@gmail.com and we will get them to you.

On behalf of the Academic Booster Club, thank you!
