The mission of the Academic Booster Club is to promote and celebrate academic achievement among Nutley students. Over the past two decades, the organization has sponsored a diverse group of activities intended to engage and excite students, including history and science fairs, an annual poetry festival, Let's Learn (a summer program emphasizing hands-on learning), scholarships for graduating NHS seniors, the Honor Society Dinner, and the NHS Academic Hall of Fame.

## Join us!

You can make a difference in the academic life of Nutley's students. We welcome your input, your enthusiasm, and your time - whether you can give us lots or just a little.
