

For more than two decades, the Academic Booster Club has been proud to award scholarships to graduating Nutley High School seniors who are planning to continue their educations--one for general academic excellence, one for a student planning to enter the teaching profession, and one for a student planning further vocational or technical schooling. This year because of generous donations from people like you, we were able to award scholarships to three deserving and exceptional students.

Please consider helping us with a contribution to our scholarship fund. The more we raise, the more we can reward Nutley's best and brightest as they pursue their post-secondary educations.

If you make a gift of \$25 or more, we will add your name to the list of generous Benefactors, Patrons, and Supporters whom we recognize at all of our events and on our website: nutleyabc.org.

On behalf of the Academic Booster Club, thank you!
